Education

Beihang University

B.S. in Computer Science and Technology

• GPA: 3.88/4.00, Rank: 10/222

Beijing, China

Sep. 2016 - July. 2020

University of Toronto

International Exchange Student in Electrical and Computer Engineering

• Full Scholarship for Exchange Student by Beihang University and China Scholarship Council.

Toronto, Canada

Sep 1st. 2018 - Jan 1st, 2019

Projects & Publications

XiaoJoy: Using Locally Connected CNN to Cooperate with Human Composers. (Accepted)

NeurIPS 2018 Workshop, Machine Learning for Creativity and Design

• Zhihao Ouyang, Yihang Yin, Kun Yan, Jian Wu, Xiaolin Hu [Project Page]

Montreal, Canada

Dec. 2018

Music Generation With Local Connected Convolutional Neural Network (Submitted)

ICASSP 2019

• Zhihao Ouyang, Yihang Yin, Kun Yan, Jian Wu, Xiaolin Hu, Shutao Xia [Paper Page]

Brighton, The United Kingdom

May. 2019

Genetic expression profile-based screening of genes and pathways associated with papillary thyroid carcinoma

Oncology Letters (SCI Impact Factor : 1.664)

• Shubin Li, Yihang Yin, Hong Yu [Paper Page]

Spandidos Publications

Aug. 2018

Experience

Research, Vector Institute, University of Toronto

International Exchange Student, Advisor: Prof. Sanja Fidler

- Graphics, Computer Vision and Reinforcement Learning (working on progress). Use bullet3 physics simulator and tensorflow to learn complex dance movement. Under the instruction of Prof. Sanja Fidler, Department of Computer Science, University of Toronto.
- Machine Learning, Music (working on progress). Use machine learning to compose Classic Music. Under the instruction of Sanja Fidler and Prof. Steve Koh at Faculty of Music, University of Toronto.

Toronto, Canada

Sep. 2018 - PRESENT

NeurIPS 2018

Attendee

- Attendee of the main conference and Workshop.

Montreal, Canada

Dec 3rd - Dec. 8th 2019

Research, Tsinghua University

Research Intern, Advisor: Prof. Xiaolin Hu

- Machine Learning, Music. Use machine learning, deep learning, and NLP techniques for music generation task, under the supervision of Prof. Xiaolin Hu, Department of Computer Science and Technology, Tsinghua University.
- Project: XiaoJoy, an AI artwork of NeurIPS 2018 Workshop Online Gallery, Accepted, see Publications.
- Paper: Music Generation With Local Connected Convolutional Neural Network, ICASSP 2019, Under Reviewing, see Publications.

Beijing, China

Jun. 2018 - PRESENT

Project, Microsoft Research Asia

Student Practice Space Program

- Project: Survey and implement new deep learning algorithms on any DL framework, re-implement a state of art GANs model-Progressive Growing of GANs in Keras framework (Project Page). Under the instruction of Researcher Tingting Qin, System Group, Microsoft Research Asia.
- Project: Microsoft/samples-for-ai, samples for classic and state-of-art machine learning models, an open-source project on GitHub, receives 364 stars (Project Page). Served as a contributor.

Beijing, China

Jan. 2016 - PRESENT

Research, China Academy of Science, Beihang University

Science and Education Innovation Program

Beijing, China

Jan. 2018 - Sep. 2018

- **Project:** *CityVision*, Use semantic segmentation to analyze massive street-views of China's biggest cities(Beijing, Shanghai and Guangzhou), use data visualization to help with designing smart-city. Under the instruction of Prof. Xiaochun Cao, Chinese Academy of Science, and Prof. Jingyuan Wang, Beihang University.

Honors & Awards

Jul. 2018 **OUTSTANDING WIN**, Microsoft Student Practice Program (**10 out of 119**) ([News Link](#))

Microsoft Research
Asia, Beijing, China

Apr. 2018 **2rd Place**, Future Cup Image Scene Classification Competition.

Beijing, China

Nov. 2018 **Excellent Student Scholarship**, Beihang University (**Top 5%**)

Beijing, China

Nov. 2017 **Excellent Student Scholarship**, Beihang University (**Top 5%**)

Beijing, China

Nov. 2016 **Excellent Student Scholarship**, Beihang University (**Top 5%**)

Beijing, China

Oct. 2016 **Ranked 1.42%**, among 6426 participants, in the 9th Certified Software Professional(CSP) organized by China Computer Federation(CCF).

Beijing, China

Nov. 2015 **First Prize**, National Olympiad in Informatics Provincial (NOIP). (**Top 1%**)

Jilin, China

Nov. 2014 **First Prize**, National Olympiad in Informatics Provincial (NOIP). (**Top 1%**)

Jilin, China

Skills

Programming	Python, C/C++, JAVA, R, MATLAB, Mathematica, Assembly, Verilog, LaTeX
Machine Learning	Tensorflow, PyTorch, Keras
Web	Ruby on Rails, Jekyll, HTML5, CSS, JavaScript
Languages	English(TOEFL:104, GRE:325+AW3.5), Chinese
Talent	Piano, Guitar and Painting

Extracurricular Activity

Beihang University Microsoft Student Club

Vice President

Beijing, China

Sep. 2017 - PRESENT

- Vice President of Beihang University Microsoft Student Club funded by Microsoft Research Asia.
